GLOBAL PARTS DISTRIBUTORS

www.globalpartsdist.com

Whether looking for A/C compressors and components, Radiators or Reservoirs, Sensors or Turbochargers, there is ONE name you need to start with; Global Parts Distributors (GPD)!

Global Parts Distributors (gpd) began as a five-bay automotive A/C installation and repair shop in Macon, GA in 1974. In the early 2000s, gpd became a national distributor of aftermarket automotive and heavy duty A/C parts. Today gpd offers one of the most comprehensive HVAC, Heat Exchange, Turbocharger, and Engine Management Sensor lines in the automotive aftermarket with warehouses across the USA to better service our customers.

All gpd products are designed to meet/exceed OE fit, form, and function. Their goals are simply to supply customers with the best parts available, the best price possible, and unparalleled customer service and support. We're proud to be "Your Simple A/C Solution"
